BOOK SYNOPSIS

This Complete Sonnets and Poems is a distinguished addition to a distinguished series. It will repay continuing study, and act as a valuable point of reference for readers concerned more generally with Shakespeares art and language. Colin Burrows good sense, tact and balance as an editor are deeply impressive. -H. R. Woudhuysen, Times Literary Supplement This is the only fully annotated and modernized edition to bring together Shakespeares Sonnets as well as all his poems (including those attributed to him after his death). A full introduction discusses his development as a poet, and how the poems relate to his plays; detailed notes explain the language and allusions in clear modern English. While accessibly written, the edition takes account of the most recent scholarship and criticism.
