## BOOK SYNOPSIS

Does there lie in mankind's remote past a single origin for the beliefs and practices of magic found in nearly every culture in the world? Behind the distortions and grotesqueries of magical practices, could there be clues to processes worthy of our objective consideration? First published nearly 40 years ago, *Oriental Magic* is still the definitive work on the subject. Its publication was the culmination of five years of research into rare artifacts, obscure manuscripts, and travels into remote areas where strange magical practices endure. The "singing sands" of Egypt, the invisible rulership of Sufism, subcutaneous electricity, and the prehistoric sources of Babylonian occult practices are just a few of the intriguing subjects described. The author includes personal accounts of "training" under a ju-ju witch doctor, a demonstration of Hindu levitation, and translations of secret alchemical and magical formulae. Revealed is an astonishing similarity in magical beliefs, practices, and terminology of places as diverse as China, the Near East, Scandinavia, and Africa. *Oriental Magic* includes a myriad of illustrations, including unique photos of places and people associated with the mysterious world of magic. Only an author of Shahs' experience, dedication, and knowledge of human nature could assemble such an array of arcane information into a dazzling picture of human beliefs and practices. This new release is sure to attract the attention of a new generation of interested readers.

**EL LIBRO DE ORO - GUÍA PRÁCTICA PARA LA INTERPRETACIÓN DEL TAROT DE MARSELLA EL TAROT DE MARSELLA RECONSTRUIDO SPANISH EDITION** - Are you looking for Ebook *El Libro De Oro - Guía Práctica Para La Interpretación Del Tarot De Marsella El Tarot De Marsella Reconstruido Spanish Edition* ?
