## **BOOK SYNOPSIS**

Try a variety of tasty jerky treats made with meat, veggies, tofu, and more! Jerky has been a vital source of sustenance for centuries. But what started out as an important food for travelers and a way to safely preserve meat in the days before refrigeration has become the health nuts favorite snack, the hiker and sportsmans manna, the dieters delight, and a boon for gourmet food sellers. But why stop at beef, or even meat? Jerky Everything encompasses not only a variety of dried meat snacks but also veggie and fruit jerkies. Forget the ho-hum beef sticks of the past, Jerky Everything offers tasty dried treats for every palate, with flavors that range from orange beef to cheddar bacon to pina colada. Yes, you heard it here first—you can make yummy pineapple jerky at home! Recipes for meat jerkies make low-calorie, high-protein treats that curb hunger pangs. Recipes for fruit and veggie jerkies make wholesome treats that will help pick you up when your energy is waning. Homemade jerky is a thing apart from its store-bought equivalents; most of these recipes are even compatible with paleo, Atkins, and low-fat eating regimens.
