BOOK SYNOPSIS

In chilling detail, the legendary Mindhunter takes us behind the scenes of some of his most gruesome, fascinating, and challenging cases—and into the darkest recesses of our worst nightmares. During his twenty-five year career with the Investigative Support Unit, Special Agent John Douglas became a legendary figure in law enforcement, pursuing some of the most notorious and sadistic serial killers of our time: the man who hunted prostitutes for sport in the woods of Alaska, the Atlanta child murderer, and Seattles Green River killer, the case that nearly cost Douglas his life. As the model for Jack Crawford in *The Silence of the Lambs*, Douglas has confronted, interviewed, and studied scores of serial killers and assassins, including Charles Manson, Ted Bundy, and Ed Gein, who dressed himself in his victims peeled skin. Using his uncanny ability to become both predator and prey, Douglas examines each crime scene, reliving both the killers and the victims actions in his mind, creating their profiles, describing their habits, and predicting their next moves.
