## **BOOK SYNOPSIS**

Good friends are hard to find. In fact, they're priceless. And it's only after almost losing her that Marcus Kastanos really appreciates his bud Ginger Townsend. She's even offered her house as a place for him to stay while he gets his life on track. Could he have a better friend? Which makes the wild attraction he feels for her so inappropriate. It's true that she's become a stunning woman since college, but that's no reason to let his libido run amok. The longer he's in her home, the harder it is for him not to act on these urges. Just when he thinks he's got everything under control, Ginger drops a little confession that changes everything!
