BOOK SYNOPSIS

When a college graduate with a history of hapless jobs (ice cream scooper; gift wrapper; laziest ever part-time clerk at The Pet Library) reads Robert Louis Stevensons novel Treasure Island, she is dumbstruck by the timid design of her life. When had she ever dreamed a scheme? When had she ever done a foolish, overbold act? When had she ever, like Jim Hawkins, broke from her friends, raced for the beach, stolen a boat, killed a man, and eliminated an obstacle that stood in the way of her getting a hunk of gold? Convinced that Stevensons book is cosmically intended for her, she redesigns her life according to its Core Values: boldness, resolution, independence and horn-blowing. Accompanied by her mother, her sister, and a hostile Amazon parrot that refuses to follow the script, our heroine embarks on a domestic adventure more frightening than anything shed originally planned. Treasure Island!!! is the story of a ferocious obsession, told by an original voice-intelligent, perverse, relentlessly self- extricating, and funny.
